RE: Proposed Marine Structural and Life Safety Standards

DATE: February 14, 2007

As a result of multiple requests for additional time to review and provide comments on the draft alternate marine structural and life safety standards, originally released for public consumption on January 23, 2007, I am extending the comment period an additional four weeks. In order to have your comments considered by the Commission, please submit all comments, in writing to the Commission's General Counsel Philip Sicuso at the above address no later than March 15, 2007. If you wish to submit your comments via e-mail, Mr. Sicuso's address is psicuso@igc.in.gov.
